GENERAL BUSINESS

Engineer Sites stated that he and W. Colussy met at McLaughlin Run Park. They discussed cutting the slope back and creating a bench covered with rock so when the columns are placed on the stream banks, the water can still go around it. It is a 3 to 1 slope and the debris will be caught in the cables.

A motion was made to have an executive session regarding a legal matter at 6:30 p.m. Council returned at 6:53 p.m. Mayor DeBlasio excused himself from the meeting.
