Re Streets for Consideration
2015 Pavement Maintenance Program

Dear Lori;

Considering that Pennsylvania American Water Company has replaced the mainlines on the following roads and is looking to replace the main line on the lower portion of Ridge Road, it may be in our best interest to consider milling and resurfacing the following roads and doing a cost sharing agreement with them. The following are the estimated costs for each road:

Street	Amount
Fryer Street from Ridge Road to Terminus	\$35,395.00
Ella Street from Fryer Street to Ella Street Extension	\$46,570.00
Edna Street from Fryer Street to Ella Street	\$52,770.00
Ella Street Extension from Ella Street to Ridge Road	\$14,375.00
Total	\$149,110.00

They are currently working on the costs for the lower portion of Ridge Road and will be getting back to me this week.

If you have any questions, please contact me.

Sincerely,
The Gateway Engineers, Inc.

Joseph H. Sites, P.E.
Borough Engineer
